Simple to load. Ready to roll.

Whether it's uniforms, flags, or gear, the Marco Uniform Rolling Cart makes it easy to stay organized and ready to roll.

Designed with input from real educators and program leaders, this cart adjusts to your needs—literally. With an adjustable height range from 56" to 86" and durable steel construction, it's built to last and built to work. Smooth-rolling casters and a slim footprint means it fits through standard doorways and loads easily into trailers. It's mobility, simplicity, and reliability—rolled into on ready to learn.

Removable lower hanger bar for flexible hanging configurations

5" heavy-duty casters

Steel tube crossbars for supporting storage needs

Encore at 86" height

Encore at 56" height with lower hanger bar removed

FEATURES

- Adjustable height ranges from 56" to 86" in 6" increments to accommodate a variety of uniform lengths and storage needs.
- Built with 1-1/4" steel tube crossbars for strength and stability.
- Upper and lower hanger bars to maximize storage and allows for flexible hanging configurations.
- 5" heavy-duty casters for easy mobility.
- Compact footprint designed to fit through standard doorways and saves space in storage areas.
- Weighing only 16.9 lbs, Encore is easy to maneuver without sacrificing durability.
