Built for the way students learn.

Marco's longest-running seating solution—for good reason.

The MG1100 Chair has earned its place in classrooms for decades, delivering durability, comfort, and reliability day in and day out. Its signature V-back design offers natural spinal relief, while the waterfall seat edge supports the thighs for all-day learning.

Crafted with a one-piece polypropylene shell and a sturdy 18-gauge steel frame (no cambering here), it's built to take whatever the school day throws at it. With clean lines, concealed rivets, and a tough steel bracket system, MG1100 is proof that simple, smart design never goes out of style.

MG1100 SERIES CHAIR ASSORTMENT

Stacking Chair

Caster Chair
MG1100 Series Chair with 2" swivel casters for easier mobility. Available in black, navy, blue or burgundy with chrome legs only.
