Our most comfortable seat, built with students in mind.

With its signature four-sided waterfall edge, this chair isn't just ergonomic—it's adaptable. Whether students lean, twist, perch, or shift, the Premier moves with them, offering support from every angle. A thoughtful ledge on the back doubles as a casual armrest or easy-grab handle for quick stacking and classroom reconfiguring.

The contoured back hugs the body just right, while the smooth finish makes cleanup a breeze. Durable, tested, and designed to keep students focused—not fidgeting—the Premier Chair is everything seating should be: smart, supportive, and made to move.

Premier Series Stacking Chair
Model 43101

FEATURES

- Available in 16" and 18" heights
- Brackets are welded to underside of frame for added strength
- Legs are constructed of 1 1/8" tubular steel and come in gray powder epoxy coat finish or chrome
